Sellwood authors Sandra Denbo and Tamarine Vilar, a mother-daughter writing team, have just published their second novel,

“Unwanted House Guest” – Book Two of “The Unwanted Series”.

And there are plans for at least two more. This is the sequel to “Unwanted Discovery”. On July 26th, Sandra and Tamarine will appear at the NW Book Festival at Pioneer Square in downtown Portland.

The festival runs 11 am – 5 pm. There they will be selling signed copies of both books. That day only, you can purchase both books at a discount. Check out the festival online at: www.nwbookfestival.com – and go online to: www.theunwantedseries.net, to read more about the series and the authors.
