

Callie Cooper speaks her mind -

Hello everyone. My name is Callie Cooper. Well, that's what everyone calls me. My parents, Sharon and Jack Cooper are the best. But they may have wondered about me when I was an emerging teen. I have to admit, I was a handful. Don't get me wrong, I wasn't bad or anything. I just have a love of life and I want to do so much with it.

Our family is pretty ordinary. Well, I guess there are a few that are 'different'. Is that the nice way to put it? Mom taught me never to put anyone down, so that's the best I can do for now.

I felt so bad for Mom. Right after I graduated from high school, that whole mess about her mother, Alice, hit us like a bolt of lightning. Although it was a challenge, I learned a lot from that. So did Mom. I'm sure glad she's not like Alice. Well, you'll learn more about it when you read Unwanted Discovery.
